# Class Information

## Tiny Ribbons

This class is designed for children age 3 & 4. It's 45 minutes long, teaching the foundations of dance through imagination and fun. This is based around 30 minutes of ballet and 15 minutes of tap dance.

## Acro

In this class we develop strength, flexibility and balance whilst learning new skills and tricks. We are acrobatic arts qualified, promoting safe and effective Acro teaching with proven results.

## Musical Theatre

Singing, acting and dancing through song from both traditional and current musicals.

## Lilac Ribbons

In this class we begin to learn the Ballet, Tap and Modern ISTD syllabus and with the intention to progress towards exams. ISTD exams are globally recognised and regulated by Ofqual.

## Street Dance

A fun & funky style of dance. The children will have a great time learning new routines to current music, developing musicality, dynamics, and powerful movements.

## Festival Class

In this class we learn solo, duets, trio's and group dances which are performed at local dance competitions throughout the year. This is a wonderful opportunity for the children to perform regularly, develop friendships and work as a team. *Please request a Festivals document with more information.*

# Parent Agreement

## Attendance

Regular committed attendance is expected to allow children to progress and develop in their classes. Students are expected to arrive on time and must be picked up promptly after class by a parent or pre-approved guardian.

## Dress Code

Once the child has settled into the class, they are expected to wear the correct uniform purchased through the school. If preferred, you may purchase shoes and accessories from alternative retailers or second-hand. Hair should be worn neatly, off the face, either in plaits or fastened securely in a bun; This not only allows complete unrestricted movement, but also avoids distraction in class.

## Class Placement

Class placement is generally based on the age of the child but may vary considering their ability and concentration. Class placement is determined by the teacher for all levels.

## Payment

Invoices will be issued in the middle of the preceding month for the upcoming month's classes and payment for classes is expected to be made by the end of the preceding month. E.g. (invoices for February classes will be issued in the middle of January and payment will be expected by the end of January.) You can pay directly through the invoice link or pay cash if preferred. Throughout the year we have several weeks off that generally coincide with the academic year but may vary. Please see calendar attached in this document. **All parents are required to pay for classes regardless of if your child is absent from classes due to sickness, holidays, parties or family events.**
